Source: Information provided by the firms

1. Fifty percent or greater ownership. The identities of the law firms listed were obtained from various sources, including the Minority Law Journal's 2008 National Directory of Minority Attorneys (hard copy and online); the prior year's chart listings; and responses to notices placed in the New York Law Journal and the NYLJ Magazine. All firms that appeared eligible for listing were contacted; firms that did not respond or did not wish to be included are omitted.

2. Ranked by number of permanent, full-time attorneys and listed in alphabetical order in case of a tie. For firms with more than one office, the main one is listed.

Chart compiled by Scott Pegram.
