Source: ABA-LSAC Official Guide to ABA-Approved Law Schools, 2009 Edition, with the exception of the bar pass rate data, which was reported in the Nov. 30, 2007, issue of the New York Law Journal. Information for the ABA-LSAC Guide was provided during the fall 2007 and thus information for the spring semester may be an estimate.

1. Ranked by number of full-time students.

2. Two amounts denotes full-time, part-time resident tuition.

3. Percentages given for LSAT and GPA are the 75th and 25th percentile of the total 2007 entering class. For example, one-quarter (25 percent) of the first-year class has credentials that are below the number given for the 25th percentile. Three-quarters (75 percent) of the first-year class has credentials that are below the number given for the 75th percentile.
