Re: Ronald Bower, DIN# 93-A-9129

Dear Mr. Tracy:

We understand that the Nassau County District Attorney's Office has requested that the Parole Board re-examine its decision on Mr. Bower's release while it conducts a comprehensive investigation of Mr. Bower's guilt or innocence. We join in that request. After consulting with the District Attorneys of Nassau and Queens, we have agreed to cooperate in a comprehensive review of this matter.

Sincerely,

Harlan A. Levy
