

APPENDIX 1

SETTLEMENT AGREEMENT AND RELEASE

This Class Settlement Agreement and Release (“Settlement Agreement”) is entered into by, between, and among Plaintiffs Adam Berkson (“Berkson”), Kerry Welsh (“Welsh”) and Kathy LePenske (collectively, “Plaintiffs”), individually and in their capacity as proposed representatives of the Class, and Defendants Gogo LLC (“Gogo”) and Gogo Inc. (collectively, “Defendants”) (Plaintiffs and Defendants collectively, “Parties,” or singularly, “Party”), subject to approval of the Court pursuant to Rule 23 of the Federal Rules of Civil Procedure.

RECITALS

A. On February 25, 2014, Berkson commenced a civil action in the United States District Court for the Eastern District of New York entitled *Adam Berkson v. Gogo LLC and Gogo Inc.*, Civ. No. 14-1199 (JBW) (the “Action”) by filing a Class Action Complaint.

B. On April 24, 2014, Berkson and Welsh filed an Amended Class Action Complaint (the “Amended Complaint”).

C. On May 12, 2014, Defendants filed a motion to compel arbitration, transfer venue and/or dismiss the Amended Complaint.

D. On April 9, 2015, the Court entered a Memorandum and Order denying Defendants’ motion in its entirety.

E. On April 28, 2015, Defendants filed a Notice of Appeal from the Memorandum and Order.

F. On July 6, 2015 and July 16, 2015, the Parties participated in two full-day mediation sessions before the Hon. Arthur Boylan, U.S.M.J. (Ret.), who assisted the Parties in negotiating a Memorandum of Understanding outlining the principal terms of a settlement which the parties intended to lead to this definitive Settlement Agreement.

G. The Parties have thoroughly investigated the facts, have analyzed the relevant legal issues with regard to the claims and defenses available to them, and have considered the uncertainties of litigation, the substantial benefits of the proposed settlement to Class Members, the costs and risks associated with continued prosecution of this litigation, the desirability of consummating this Settlement Agreement promptly in order to provide an expeditious and effective resolution of the Action, the pendency and merits of Defendants' current appeal, and likely appeals of future rulings in favor of either Party.

H. In light of these considerations, and without admitting fault or liability on the part of Defendants, it is the Parties' intention and the objective of this Settlement Agreement to dispose of, fully, completely and forever, the claims and causes of action which were asserted, or which could have been asserted, in the Action.

The delivery date is deemed to be the date when the objection is deposited in the U.S. mail as evidenced by the postmark. If a Class Member makes an objection or appears at the Fairness Hearing through an attorney, that objector will be responsible for his or her personal attorney's fees and costs.

No Opt-Out/Exclusion Request will be valid unless all of the information above is included. So-called "mass" or "class" opt-outs purporting to be made on

behalf of multiple persons or classes of persons shall not be allowed and shall be deemed invalid. The letter, postcard or form on which the request for exclusion is made must be postmarked on or before the date approved by the Court and specified in the notices provided for in Section 3 above, with postage paid by the person requesting exclusion. The Opt-Out/Exclusion Request *must* be postmarked on or before the date approved by the Court and specified in the Notice provided for in Section 3, which shall be sixty (60) days from the date the Notice is emailed to Class Members by the Claims Administrator. Any Class Member who does not mail a valid and timely written Opt-Out/Exclusion Request shall be bound by all subsequent proceedings, orders and judgments. Only Class Members who serve valid and timely Opt-Out/Exclusion Requests will be deemed to have opted out of the Class, unless the Court orders otherwise.

- (b) **Exclusion List.** On or before ten (10) calendar days after the Objection and Opt-Out deadline, the Claims Administrator shall provide Gogo's Counsel and Class Counsel with a list of Class Members who have timely and validly excluded themselves from the Class. The Parties must file with the Court a complete list of all Class Members who have validly and timely excluded themselves from the Class.

- (c) **Termination Clause.** If more than 500 Class Members request exclusion, then Gogo may, in its sole discretion, notify Class Counsel in writing that it has elected to terminate this Settlement Agreement. Such notification of intent to terminate the Settlement Agreement must be provided a minimum

of seven (7) calendar days before the filing deadline for the motion seeking final approval of the Settlement Agreement and entry of a proposed Final Order and Judgment. If this Settlement Agreement is terminated for this or any other reason, it will be deemed null and void. In that event: (i) the Preliminary Approval Order and all of its provisions will be vacated by its own terms; (ii) the Action will revert to the status that existed before the Settlement Agreement's execution date; and (iii) no term or draft of this Settlement Agreement, or any part or aspect of the Parties' settlement discussions, negotiations, or documentation (including any declarations and briefs filed in support of the motion for preliminary or final approval) will have any effect or be admissible into evidence, for any purpose, in this Action or any other proceeding.

5.6 Termination of Settlement and Right to Terminate Settlement. This Settlement Agreement is being entered into for settlement purposes only. Except as set forth below, this Settlement Agreement will be deemed null and void if: (a) the Court orders or proposes modifications of, or additions to, the Parties' proposed Preliminary Approval Order, their proposed Final Order and Judgment, the Settlement Agreement, or the proposed Notice pursuant to Section 3 that are not acceptable to all Parties; (b) the Court orders or otherwise requires any party or its Counsel to make any distribution, in cash or in kind, to any charitable or governmental organization, (c) the Court does not preliminarily approve the Settlement or enter the Final Order and Judgment; or (d) the opt-out threshold in subsection 5.5(c) is reached and Gogo has terminated the Settlement Agreement in accordance therewith. In the event the Court orders or proposes modifications as described in subsections 5.6(a) or 5.6(b) above, the Parties

will each have seven (7) business days from the date of the Court's order to determine whether or not they will accept the Court-ordered or Court-proposed modification and to notify the other Party of such acceptance. In determining whether any Court-ordered or Court-proposed modifications of the Parties' proposed Preliminary Approval Order, proposed Final Order and Judgment, the Settlement Agreement, or the proposed Notice pursuant to Section 3 are acceptable, the Parties each agree to exercise their judgment in good faith and will not reject additions or modifications that are merely technical or otherwise immaterial to the substance of the Settlement Agreement. If either Party notifies the other Party within seven (7) days of their lack of concurrence with the Court's ordered or proposed modifications, or in the case of the event described in 5.6(c) and 5.6(d), above, then: (i) the Preliminary Approval Order and all of its provisions and/or the Final Order and Judgment and all of its provisions, as applicable, will be vacated by its or their own terms, including, but not limited to, vacating provisional certification of the Class, provisional appointment of the Named Plaintiffs as class representatives and provisional appointment of Reese LLP as Class Counsel, (ii) the Action will revert to the status that existed before this Settlement Agreement's execution date, (iii) no term or draft of this Settlement Agreement, or any part of the Parties' settlement discussions, negotiations or documentation will have any effect or be admissible into evidence for any purpose in the Action or any other proceeding, and (iv) Defendants shall retain all their rights to object to the maintenance of the Action as a class action, and nothing in this Settlement Agreement or other papers or proceedings related to the Settlement shall be used as evidence or argument by any Party concerning whether the Action may properly be maintained as a class action.

5.7 Fairness Hearing and Final Order and Judgment. Before the Fairness Hearing, Plaintiffs must move or apply for Court approval of a proposed Final Order and

Judgment, which shall be in the form annexed as Exhibit B. The Final Order and Judgment must be consistent with the material terms of this Settlement Agreement, including, but not limited to, the definition of the Class and the scope of the release to be provided by Class Members, and the compensation to Eligible Class Members. Class Counsel must file with the Court a complete list of all Class Members who have validly and timely excluded themselves from the Class. Class Counsel must also draft the application papers and give Gogo's Counsel drafts of the motion or application and proposed order to review at least seven (7) calendar days before the application's filing deadline. Gogo shall be permitted, but not required, to file its own joint or individual brief or statement of non-opposition in support of the motion or application for Final Order and Judgment.

6. DISMISSAL OF ACTION AND RELEASES

6.1 Named Plaintiffs' and Class Members' Releases. Upon entry of the Final Order and Judgment, the Named Plaintiffs and all Class Members who do not validly and timely request to be excluded from the proposed Settlement, and each of their respective successors, assigns, legatees, heirs, and personal representatives release and forever discharge Defendants, and each of their respective direct or indirect parents, wholly or majority owned subsidiaries (including but not limited to those owned in whole or in part during some or all of the Class Period), affiliated and related entities, predecessors, successors and assigns, partners, privies, and any of their present and former directors, officers, employees, shareholders, agents, representatives, attorneys, accountants, insurers, and all persons acting by, through, under or in concert with them, or any of them, from all manner of action, causes of action, claims, demands, rights, suits, obligations, debts, contracts, agreements, promises, liabilities, damages, charges, penalties, losses, costs, expenses, and attorneys' fees, of any nature whatsoever, known or unknown, in law or equity,

fixed or contingent, which they have or may have arising out of or relating in any way to any of the factual allegations or legal theories that were raised by Plaintiffs in connection with Gogo's Monthly Pass subscriptions in the Actions (the "**Released Claims**").

With respect to the Released Claims, each Named Plaintiff and all Class Members who do not validly and timely request to be excluded from the Settlement, and each of their respective successors, assigns, legatees, heirs, and personal representatives, expressly waive and relinquish, to the fullest extent permitted by law, the provisions, rights and benefits of Section 1542 of the California Civil Code, or any other similar provision under federal or state law, which provides:

"A general release does not extend to claims which the creditor does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his or her settlement with the debtor,"

Each Named Plaintiff and all Class Members fully understand that the facts in existence at the time this Settlement Agreement is executed and entry of the Preliminary Approval Order may be different from the facts now believed by the Named Plaintiffs and Class Members and Class Counsel to be true and expressly accept and assume the risk of this possible difference in facts and agree that this Settlement Agreement remains effective despite any difference in facts. Further, each Named Plaintiff and all Class Members agree that this waiver is an essential and material term of this release and the Settlement Agreement that underlies it and that without such waiver the Settlement Agreement would not have been accepted or agreed to.

6.2 Upon entry of the Final Order and Judgment, each of the Defendants shall forever release and discharge all claims that could have been brought or are ever brought in the

future by Defendants against the Named Plaintiffs, in their individual capacity and as Class Representatives, against Settlement Class Members, and against Class Counsel whether known or unknown, asserted or unasserted, under or pursuant to any statute, regulation or common law, that arise out of or relate in any way to the institution, prosecution or settlement of the Claims against Defendants, except for claims relating to the enforcement of this Settlement Agreement.

7. ATTORNEYS' FEES, COSTS AND EXPENSES AND CLASS REPRESENTATIVE SERVICE AWARDS

(a) **Named Plaintiffs Service Awards.** Plaintiff intends to seek and Gogo does not object to an award in the gross amount of \$15,000 to be divided among the three Named Plaintiffs equally (*i.e.* \$5,000 each). The award is in consideration for the covenants in this Settlement Agreement and intended to compensate the Named Plaintiffs for their individual and respective participation in this Action. The Named Plaintiffs will not seek any other compensation nor petition the Court for or otherwise seek more than this amount for a service award, other than being permitted to submit a Claim. A reduction by the Court or by an appellate court of the service award sought by the Named Plaintiffs shall not affect any of the Parties' rights and obligations under the Settlement Agreement.

(b) **Attorneys' Fees and Costs Award.** On or before the date specified in the Preliminary Approval Order, Class Counsel will submit an application seeking approval of an award of attorney's fees and costs for Class Counsel. Class Counsel agree that they shall not seek an award in excess of \$750,000.00. Defendants agree not to object to any such application or award up to such amount, and Class Counsel shall not accept any award in excess of such amount. The award of attorneys' fees and costs for Class Counsel shall not in any fashion impair the compensation paid to Eligible Class Members. Class Counsel agrees that if any other attorney or firm previously or currently associated with, or otherwise collaborating with,

Class Counsel in this Action (including, by way of example, any attorney from Reese Richman LLP) seeks or obtains an award of attorneys' fees and costs in connection with this Action or its Settlement, Class Counsel shall indemnify and hold Defendants harmless from any and all amounts paid and associated therewith.

This Settlement Agreement reflects the Parties' compromise and Settlement of the disputed claims, and constitutes an offer of compromise and compromise within the meaning of Federal Rule of Evidence 408 and any equivalent state rule of evidence. Its provisions, and all related drafts, communications and discussions, cannot be construed as or deemed to be evidence of an admission or concession of any point of fact or law by any person or entity and cannot be offered or received into evidence or requested in discovery in this Action or any other action or proceeding as evidence of an admission or concession. 8.6 Parties Represented by Counsel. The Parties acknowledge that: (a) they have been represented by independent counsel of their own choosing during the negotiation of this Settlement and the preparation of this Settlement Agreement; (b) they have read this Settlement

Agreement and are fully aware of its contents; and (c) their respective counsel fully explained to them the Settlement Agreement and its legal effect.

8.7 Entire Agreement. This Settlement Agreement contains the entire agreement between the Parties and constitutes the complete, final, and exclusive embodiment of their agreement with respect to the Action. This Settlement Agreement is executed without reliance on any promise, representation, or warranty by any Party or any Party's representative other than those expressly set forth in this Settlement Agreement. Case No. 1:14-cv-01199-JBW-LB

**[PROPOSED] ORDER GRANTING
FINAL APPROVAL TO CLASS ACTION
SETTLEMENT**

The Court has (1) reviewed and considered the terms and conditions of the proposed Settlement as set forth in the Settlement Agreement; (2) reviewed and considered the application of Class Counsel for an award of attorneys' fees, costs, expenses, and class-representative-incentive awards; (3) held a Fairness Hearing after being satisfied that notice to both the Initial Class and the Supplemental Class has been provided in accordance with the Court's Order Granting Motion for Preliminary Approval of Class Action Settlement, Provisionally Certifying the Classes, and Directing Dissemination of Class Notice entered on October 13, 2015; (4) taken into account the presentations and other proceedings at the Fairness Hearing; and (5) considered the Settlement in the context of all prior proceedings had in this Action. Consequently, the Court enters the following FINDINGS and CONCLUSIONS:

A. Capitalized terms that this Final Order and Judgment uses that this Final Order and Judgment does not otherwise define shall have the meaning that the Settlement Agreement assigns them.

B. The Court has subject-matter jurisdiction over this Action and all acts within this Action, and over all Parties to this Action, including all members of both the Initial Class and Supplemental Class.

C. The Court's conditional certification for Settlement purposes in the Preliminary Approval Order of both the Initial Class and the Supplemental Class was, and is, appropriate. Adam Berkson, Kerry Welsh and Kathy LePenske (together, the "Class Representatives") and Class Counsel have fairly and adequately represented both the Initial Class and the Supplemental Class for purposes of entering into and implementing the Settlement.

D. The notice to putative Settlement Class Members was comprised of individual emailed notice to all Settlement Class Members. The Court finds this notice: (i) constituted the

best notice practicable under the circumstances, (ii) constituted notice that was reasonably calculated, under the circumstances, to apprise the putative Settlement Class Members of the pendency of the Action and of their right to object and to appear at the Fairness Hearing or to exclude themselves from the Settlement, (iii) was reasonable and constituted due, adequate, and sufficient notice to all persons entitled to be provided with notice, and (iv) fully complied with due process principles and Federal Rule of Civil Procedure 23.

E. The Court has held a Fairness Hearing to consider the fairness, reasonableness, and adequacy of the Settlement and has been advised that there have been no objections to the Settlement.

F. The Settlement is the product of good faith, arm's-length negotiations between the Class Representatives and Class Counsel, on the one hand, and Gogo and Gogo's Counsel, on the other hand.

G. The Settlement, as provided for in the Settlement Agreement, is in all respects fair, reasonable, adequate, and proper and in the best interest of both the Initial Class and the Supplemental Class. In reaching this conclusion, the Court considered the following nine factors set forth in *City of Detroit v. Grinnell Corp.*: (1) the complexity, expense and likely duration of the litigation; (2) the reaction of the class to the settlement; (3) the stage of the proceedings and the amount of discovery completed; (4) the risks of establishing liability; (5) the risks of establishing damages; (6) the risks of maintaining the class action through the trial; (7) the ability of the defendants to withstand a greater judgment; (8) the range of reasonableness of the settlement fund in light of the best possible recovery; [and] (9) the range of reasonableness of the settlement fund to a possible recovery in light of all the attendant risks of litigation. *Charron v. Wiener*, 731 F.3d 241, 247 (2d Cir. 2013) (citing *City of Detroit v. Grinnell Corp.*, 495 F.2d 448,

463 (2d Cir. 1974) *abrogated on other grounds by Goldberger v. Integrated Res., Inc.*, 209 F.3d 43 (2d Cir. 2000); other citation omitted).

H. In the Declaration of , which the Parties filed in advance of the Fairness Hearing, the Parties submitted to the Court: (i) a list of the putative Settlement Class Members who have timely elected to opt out of the Settlement and the Initial Class or the Supplemental Class, as appropriate, and whom, as a result, the Settlement does not bind (the “Exclusion List”), (ii) the provisions of the Settlement Agreement, and (iii) this Final Order and Judgment. All Settlement Class Members (in accordance with the Court’s permanent certification set forth below) shall permanently be subject to all provisions of the Settlement, the Settlement Agreement, and this Final Order and Judgment, which the Clerk of the Court shall enter.

On the basis of the foregoing findings and conclusions, as well as the submissions and proceedings referred to above, NOW, THEREFORE, THE COURT HEREBY ORDERS, ADJUDGES, AND DECREES:

Certification of Class and Approval of Settlement

1. The Settlement and the Settlement Agreement are hereby approved as fair, reasonable, adequate, and in the best interests of both the Initial Class and the Supplemental Class, and the requirements of due process and Federal Rule of Civil Procedure 23 have been satisfied. The Court hereby orders and directs the Parties to comply with the terms and provisions of the Settlement Agreement.

2. Having found that, for settlement purposes only, each of the elements of Federal Rules of Civil Procedure 23(a) and 23(b)(3) are satisfied, the Court hereby permanently certifies the Initial Class pursuant to Federal Rule of Civil Procedure 23 on behalf of the following

persons:

All Gogo Customers who, during the Initial Class Period, subscribed to a Monthly Pass but only used the Gogo Service during the first month of their Subscription Period.

Furthermore, having found that, for settlement purposes only, each of the elements of Rules 23(a) and 23(b)(3) are satisfied, the Court hereby permanently certifies the Supplemental Class pursuant to Rule 23 on behalf of the following persons:

All Gogo Customers who, during the Supplemental Class Period, subscribed to a Monthly Pass but only used the Gogo Service during the first month of their subscription.

The Court hereby excludes from the Initial Class or the Supplemental Class, as appropriate, the putative Settlement Class Members that the Exclusion List identifies as having timely and properly elected to opt out from the Settlement and the Initial Class or the Supplemental Class, as appropriate. The Settlement Class Members that the Exclusion List identifies shall not be entitled to any of the benefits that the Settlement Agreement affords to the Settlement Class Members. The Court readopts and incorporates herein by reference the preliminary conclusions that the Court set forth in the Preliminary Approval Order with respect to whether both the Initial Class and the Supplemental Class satisfy both Rule 23(a) and Rule 23(b)(3).

3. For purposes of Settlement only, the Court hereby certifies the Class Representatives as representatives of both the Initial Class and the Supplemental Class, and the Court hereby appoints Class Counsel as counsel for both the Initial Class and the Supplemental Class. The Court concludes that the Class Representatives and Class Counsel have fairly and adequately represented both the Initial Class and the Supplemental Class with respect to the Settlement and the Settlement Agreement.

4. Notwithstanding the Court's certification of both the Initial Class and the

Supplemental Class, and the Court's appointment of the Class Representatives, for purposes of effecting the Settlement, if this Final Order and Judgment is reversed on appeal or the Settlement Agreement is terminated or is not consummated for any reason, the foregoing certification of both the Initial Class and the Supplemental Class and the foregoing appointment of the Class Representatives shall be void and of no further effect, and the Parties to the proposed Settlement shall be returned to the status each occupied before entry of this Final Order and Judgment, without prejudice to any legal argument that any of the Parties to the Settlement Agreement might have asserted but for the Settlement Agreement.

Release and Injunctions against Released Claims

5. In accordance with the Settlement Agreement, Plaintiffs, the Settlement Class Members, and each of their respective successors, assigns, legatees, heirs, and personal representatives shall and hereby do release, remise, and forever discharge Gogo and each of its respective direct or indirect parents, wholly or majority owned subsidiaries (including but not limited to those owned in whole or in part during some or all of the Class Period), affiliated and related entities, predecessors, successors and assigns, partners, privies, and any of their present and former directors, officers, employees, shareholders, agents, representatives, attorneys, accountants, insurers, and all persons acting by, through, under or in concert with them, or any of them, from any and all of the Released Claims.

6. The Court hereby permanently enjoins the Settlement Class Members from filing, commencing, prosecuting, intervening in, participating in as class members or otherwise, or receiving any benefits or other relief from, any other litigation in any state, territorial, or federal court, or any arbitration or administrative, regulatory, or other proceeding in any jurisdiction, that asserts claims based on, or in any way related to, the Released Claims. In addition, the Court

hereby permanently enjoins the Settlement Class Members from asserting as a defense, including as a set-off or for any other purpose, any argument that if raised as an independent claim would be a Released Claim.

7. With respect to the Released Claims, Plaintiffs and all Settlement Class Members agree that they are expressly waiving and relinquishing to the fullest extent permitted by law (a) the provisions, rights, and benefits that Section 1542 of the California Civil Code confers, *viz.*:

A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor.

and (b) any law of any state of the United States, federal law, or principle of common law, which is similar, comparable, or equivalent to Section 1542 of the California Civil Code.

Dismissal; Continuing Jurisdiction

8. The Court hereby orders that the Action and all claims alleged therein are dismissed with prejudice.

9. Without in any way affecting the finality of this Final Order and Judgment, this Court hereby retains jurisdiction as to all matters relating to (a) the interpretation, administration, and consummation of the Settlement Agreement and (b) the enforcement of the injunctions that paragraph 6 of this Final Order and Judgment brings to fruition.

IT IS SO ORDERED.

Case No. 1:14-cv-01199-JBW-LB

**[PROPOSED] ORDER GRANTING
MOTION FOR PRELIMINARY
APPROVAL OF CLASS ACTION
SETTLEMENT, GRANTING LEAVE
TO FILE A SECOND AMENDED
COMPLAINT, PROVISIONALLY
CERTIFYING THE CLASSES, AND
DIRECTING DISSEMINATION OF
CLASS NOTICE**

Plaintiffs Adam Berkson and Kerry Welsh, plaintiffs in the above-captioned action, and Kathy LePenske (another user of Gogo service), have submitted an unopposed Motion for entry of an Order Granting Preliminary Approval of the Class Action Settlement, Granting Leave to File a Second Amended Complaint, Provisionally Certifying the Classes, and Directing Dissemination of Class Notice, determining certain matters in connection with the proposed Settlement of this class action, pursuant to the terms of the Settlement Agreement that the Parties reached and presented to the Court for approval. After consideration of the Settlement Agreement and the exhibits annexed thereto, and after due deliberation and consideration of the totality of the circumstances and the record, and for good cause shown, it is hereby ORDERED, ADJUDGED, and DECREED as follows:

1. **Defined Terms:** This Court adopts all defined terms set forth in the Settlement Agreement, including but not limited to all defined terms set out in Section 1 of the Settlement Agreement, for purposes of this Preliminary Approval Order, unless otherwise specified herein.
2. **Preliminary Approval of Settlement:** The Court hereby preliminarily approves the terms of the Settlement Agreement, subject to further consideration at the Fairness Hearing as provided below. The Court concludes that the proposed Settlement is sufficiently within the range of reasonableness to warrant conditional certification of both the Initial Class and the Supplemental Class, the scheduling of the Fairness Hearing, and the circulation of the “Notice Package”¹ to both the Initial Class and the Supplemental Class, each as provided for in this Preliminary Approval Order.

¹ For purposes of this Preliminary Approval Order, “Notice Package” shall mean: (1) the Long-Form Notice; (2) the Summary Notice; and (3) the Claim form, which are attached as Exhibits D, C and A respectively, to the Parties’ Settlement Agreement.

3. **Granting Leave to File a Second Amended Complaint:** Pursuant to Federal Civil Procedure Rule 15(a)(2), the Court hereby grants leave to file a Second Amended Complaint to add plaintiff Kathy LePenske to the above-captioned action. The Second Amended Complaint, which is attached as Exhibit 2 to the Amended Notice of Motion (Dkt. 104), is hereby deemed as filed and counsel for Plaintiffs is ordered hereby to submit it via ECF.

4. **Conditional Certification for Settlement Purposes:** For purposes of Settlement only, pursuant to Federal Rule of Civil Procedure 23, the Court hereby certifies the following Initial Class:

All Gogo Customers who, during the Initial Class Period, subscribed to a Monthly Pass but only used the Gogo Service during the first month of their Subscription Period.

Furthermore, for purposes of Settlement only, pursuant to Federal Rule of Civil Procedure 23, the Court hereby certifies the following Supplemental Class:

All Gogo Customers who, during the Supplemental Class Period, subscribed to a Monthly Pass but only used the Gogo Service during the first month of their subscription.

The Court hereby conditionally certifies Adam Berkson, Kerry Welsh as representatives of the Initial Class as defined above and Kathy LePenske as representative of the Supplemental Class as defined above (together, Berkson, Welsh and LePenske are referred to herein as the “Class Representatives”), and the Court hereby appoints Michael R. Reese of Reese LLP as Class Counsel. This conditional certification of the Initial Class, the Supplemental Class, and the Class Representatives, and this appointment of Class Counsel, are solely for purposes of effectuating the proposed Settlement. If the Settlement Agreement is terminated or is not consummated for any reason, the foregoing conditional certification of the Initial Class, the Supplemental Class, and the Class Representatives, as well as the foregoing appointment of Class Counsel, shall be

void and of no further effect, and the Parties to the proposed Settlement shall be returned to the status each occupied before entry of this Preliminary Approval Order, without prejudice to any legal argument that any of the Parties to the Settlement Agreement might have asserted but for the Settlement Agreement.

Based on the Court's review of the unopposed Motion for Preliminary Approval of the Proposed Class Settlement and supporting materials, the Court conditionally finds that both the proposed Initial Class and the proposed Supplemental Class satisfy Rule 23 of the Federal Rules of Civil Procedure in that:

a. Both the Initial Class and the Supplemental Class consist of thousands of individuals. Consequently, both the Initial Class and the Supplemental Class are so numerous that joinder of all persons who fall within the Initial Class definition, and/or within the Supplemental Class definition, is impracticable;

b. The commonality requirement is satisfied where members of the Initial Class and the Supplemental Class share at least one common legal or factual issue. Here, there are questions of law and fact common to the Initial Class and the Supplemental Class, including but not limited to allegations related to one or more of the following:

- (i) whether Gogo's acts and practices of charging users of its in-flight Internet service on a recurring monthly basis after the user signed up for it monthly service constituted deceptive acts and practices;
- (ii) whether Gogo's acts and practices of charging users of its in-flight Internet service on a recurring monthly basis after the user signed up for monthly service breached the implied covenant of good faith and fair dealing;
- (iii) whether Gogo's actions at issue unjustly enriched Gogo; and
- (iv) whether Gogo properly disclosed that the monthly charges would be recurring for the Gogo in-flight Internet service.

c. The claims of the Class Representatives are typical of the claims of both the Initial Class and the Supplemental Class; and

d. The Class Representatives will fairly and adequately protect the interests of both the Initial Class and the Supplemental Class, and Class Counsel are both qualified and competent to represent both the Initial Class and the Supplemental Class.

The Court further conditionally finds that both the proposed Initial Class and the proposed Supplemental Class satisfy Rule 23(b)(3) of the Federal Rules of Civil Procedure, which requires that common issues predominate and that a class action is superior to other available methods for the fair and efficient resolution of this controversy. The Court notes that because the litigation is being settled, rather than litigated, the Court need not consider the manageability issues that litigation would present. *Amchem Products, Inc. v. Windsor*, 521 U.S. 591, 620 (1997).

5. **Fairness Hearing:** A Fairness Hearing shall take place before the undersigned, the Honorable Jack B. Weinstein, at ____ p.m. on _____, 2016, to determine:

a. whether the Court should finally certify both the Initial Class and the Supplemental Class and whether the Class Representatives and Class Counsel have adequately represented both the Initial Class and the Supplemental Class;

b. whether the Court should finally approve the proposed Settlement, on the terms and conditions for which the Settlement Agreement provides, as fair, reasonable, and adequate;

c. whether the Court should dismiss the Released Claims of the Settlement Class Members in this action with prejudice;

d. whether the Court should approve the application that Class Counsel will

submit for attorneys' fees, costs, expenses, and incentive awards for the Class Representatives;
and

e. such other matters as the Court may deem necessary or appropriate.

6. **Right to Appear and Object:** Any putative Settlement Class Member who has not timely and properly provided notice of an election to opt out of the Initial Class and the proposed Settlement, or to opt out of the Supplemental Class and the proposed Settlement, in the manner set forth below may appear at the Fairness Hearing in person or by counsel and be heard, to the extent the Court allows, either in support of, or in opposition to, the matters that the Court will consider at the Fairness Hearing, provided, however, that no putative Settlement Class Member who has elected to opt out from the Settlement shall be entitled to object, and provided further that no person shall be heard, and the Court shall not consider any papers, briefs, or other submissions in connection with its consideration of those matters, unless such person files the objection with the Court, with a copy delivered to Class Counsel and Gogo's Counsel at the addresses set out in the Notice, no later than _____, 2016. Settlement Class Members may object either on their own or through an attorney hired at their own expense.

7. **Notice.** The Court hereby approves the Notices substantially in the form of Exhibits D and E to the Settlement Agreement. In particular, the Court approves the Parties' proposal that the Summary Notice, which directs Settlement Class Members to the easily accessible Long-Form Notice, be provided to all Settlement Class Members via email to the email address currently associated with each Settlement Class Member's Gogo account. The Court also finds that posting the Long-Form Notice on the Class Settlement Website constitutes appropriate and sufficient notice of the terms of the Long-Form Notice, since the Summary Notice directs the Settlement Class Members to the Class Settlement Website. The Court further

finds that the form and method of providing notice is the best practicable under the circumstances and, if carried out, shall constitute due and sufficient notice of the Settlement under Federal Rule of Civil Procedure 23 and the Due Process Clauses of the Fifth Amendment and the Fourteenth Amendment to the United States Constitution. The Court also approves the Claim form attached as Exhibit A to the Settlement Agreement.

The Court approves the Parties' joint selection of Analytics LLC to administer the notice program. As set forth in the Settlement Agreement, Gogo shall pay the cost of the Notice Plan. Further, as set forth in the Settlement Agreement, within 15 calendar days after entry of this Preliminary Approval Order, Gogo shall provide the Claims Administrator with the email address associated with each Settlement Class Member's Gogo account, and the Claims Administrator shall transmit the Summary Notice to each Settlement Class Member's email address that Gogo provided within 15 calendar days after receiving the aforesaid email addresses from Gogo.

8. **Ability of Class Members to Opt Out.** All putative Settlement Class Members who wish to opt out of the Initial Class or the Supplemental Class, as appropriate, must do so by sending a letter, postcard, or other written document requesting exclusion to the Claims Administrator as outlined in the Notice Plan, signed by the putative Settlement Class Member and providing all required information. To be considered timely and thereby effectively exclude a person from the Initial Class or the Supplemental Class, as appropriate, the Opt-Out/Exclusion Request must be postmarked on or before 60 days from the date that the Claims Administrator emails the Notice to the Settlement Class Members (the "Opt Out Deadline"). On or before 10 calendar days after the Opt Out Deadline, the Claims Administrator shall provide Gogo's Counsel and Class Counsel with a list of Settlement Class Members who have timely and validly

excluded themselves from the Initial Class or the Supplemental Class. The Parties will file with the Court a complete list of all Settlement Class Members who validly and timely excluded themselves from the Class.

Any putative Settlement Class Member who does not properly and timely request exclusion from the Initial Class or the Supplemental Class, as appropriate, shall be included in the Initial Class or the Supplemental Class, as appropriate, and, if the Court approves the proposed Settlement and it becomes effective, they shall be bound by all the terms and provision of the Settlement Agreement, including but not limited to the releases, waivers, and covenants not to sue described therein, whether or not such person shall have objected to the Settlement.

9. **Appearance by Settlement Class Member.** Any Settlement Class Member may enter an appearance in the Action at his, her, or its own expense, individually or through counsel of his, her, or its own choice. Class Counsel will represent any Settlement Class Member who does not enter an appearance.

10. **Discovery and Other Litigation Activity.** All discovery and other litigation activity in this Action is hereby stayed pending a decision on Final Approval of the Settlement Agreement.

IT IS SO ORDERED.

BASIC INFORMATION

1. Why was this notice issued?

A Court authorized this notice because you have a right to know about a proposed nationwide settlement of this class action lawsuit against Gogo, and about your possible eligibility for benefits and your other options, before the Court decides whether to give “final approval” to the Settlement. If the Court approves the Settlement, and after any appeals are resolved, benefits will be distributed to everyone who qualifies. This notice explains the lawsuit, the Settlement, your legal rights, what benefits are available, who may be eligible for the benefits, and how to receive the benefits.

United States District Court Judge Jack B. Weinstein in the United States District Court for the Eastern District of New York is overseeing this class action. The case is known as *Adam Berkson, et al. v. Gogo LLC and Gogo Inc.*, Case No. 1:14-cv-01199-JBW-LB. The individuals who sued are called the “Plaintiffs,” and the parties they sued are called the “Defendants.”

2. What is this lawsuit about?

The lawsuit generally claims that Gogo improperly enrolled customers in a plan and recurrently charged their credit cards without obtaining proper authorization from or providing proper disclosure to the customers. Specifically, the lawsuit claims that customers purchased in-flight Internet service from Gogo believing they would only be charged for one month of service, but that Gogo continued to charge customers monthly for the service even though customers did not use the service after the month in which it was purchased and did not know they would be charged monthly for the service. Gogo has denied all of these claims and maintains that they did not act wrongfully or unlawfully.

3. Why is this a class action?

In a class action, one or more people called “Named Plaintiffs” (in this case Adam Berkson, Kerry Welsh and Kathy LePenske) sue on behalf of individuals who have similar claims. All of these individuals are a “Class” or “Class Members.” A court resolves the issues for all Class Members, except for those who exclude themselves from the Class.

4. Why is there a Settlement?

The Court did not decide in favor of the Plaintiffs or Gogo. Instead, both sides agreed to settle in order to avoid the cost of a trial, and the Class Members who qualify will get benefits under the Settlement. The Named Plaintiffs and their attorneys believe that the Settlement is best for all Class Members. The Settlement does not mean that Gogo admits any wrongdoing.

WHO IS IN THE SETTLEMENT?

To see if you are eligible for benefits from this Settlement, you first have to determine if you are a Class Member.

5. How do I know if I am a Class Member?

The Class includes an Initial Class and a Supplemental Class.

The Initial Class includes:

- all Gogo Customers who, between April 1, 2010 and December 31, 2012, subscribed to a Gogo Monthly Pass and only used the Gogo Service during the first month of their subscription.
- Excluded from the Class are Defendants, any entity in which Defendants have a controlling interest, any officers or directors of Defendants and the legal representatives, heirs, successors and assigns of Defendants.

The Supplemental Class includes:

- all Gogo Customers who, between January 1, 2013 and March 31, 2015, subscribed to a Gogo Monthly Pass but only used the Gogo Service during the first month of their subscription.
- Excluded from the Supplemental Class are Defendants, any entity in which Defendants have a controlling interest, any officers or directors of Defendants, and the legal representatives, heirs, successors, and assigns of Defendants.

6. What if I am still not sure if I am included?

If you are not certain whether you are included in the Class, you may call the Settlement Administrator at the toll free number **1-866-322-4455** with questions.

THE SETTLEMENT BENEFITS—WHAT YOU GET IF YOU QUALIFY

7. Who will receive benefits from this Settlement?

Individuals who are Class Members will receive benefits upon providing a valid Claim Form and providing certifications regarding their knowledge and use of the Gogo services. In other words, all Class Members are eligible to get paid if they complete and submit a valid Claim Form and swear that they purchased a Gogo monthly pass, did not know the charge was recurring, paid for the recurring charges and were not refunded or otherwise reimbursed those charges. Class Members are not required to submit a proof of purchase or any other physical or documentary evidence.

8. What benefits could I receive?

The Settlement will provide passes to Eligible Class Members which permit the holder to access Gogo inflight Internet Service. The number of passes distributed to each Eligible Class Member will depend on when the Gogo

Service was purchased and for how many months the customer's credit card was charged for the service. There are two tiers of Class Members.

Tier One is called the "Initial Class" or "Initial Class Members." Initial Class Members include all Gogo Customers who, between April 1, 2010 and December 31, 2012, subscribed to a Gogo Monthly Pass and only used the Gogo Service during the first month of their Subscription period.

Tier Two is called the "Supplemental Class" or "Supplemental Class Members". Supplemental Class Members include all Gogo Customers who, between January 1, 2013 and March 31, 2015, subscribed to a Monthly Pass but only used the Gogo Service during the first month of their subscription.

NOTE: Some Class Members may be Eligible for relief as both an Initial Class Member and a Supplemental Class Member.

The benefits Eligible Class Members will receive are as follows:

If you are an Initial Class Member and paid for:

- 1 to 4 months of unused Gogo Service, you will receive 1 One-Day Pass.
- 5 to 8 months of unused Gogo Service, you will receive 4 One-Day Passes
- 9 or more months of unused Gogo Service, you will receive 6 One-Day Passes.

If you are a Supplemental Class Member and paid for any months of unused Gogo Service, you will receive 1 One-Hour Pass.

If you do not exclude yourself from the Class (as explained in Questions 12, 13 and 14) and are an Eligible Class Member (explained in Question 5), the only benefits you could ever recover from Gogo on any claim released in this Settlement are described in the above paragraphs. If you believe you are entitled to or want to seek a recovery larger than that described above, you must exclude yourself from the Class through the procedure described in Question 12 below.

9. How do I qualify for the benefits?

In order to be eligible to receive compensation under the Settlement, you must be a Class Member and you must:

1. Fully complete and submit to the Claims Administrator a Claim Form which can be located at www.gogoclassactionsettlement.com;
2. Certify under penalty of perjury that you purchased a Monthly Pass during the Initial Class Period or Supplemental Class Period and used the Gogo Service only during the first month of the subscription period;
3. Certify under penalty of perjury that you were unaware of the recurring monthly charges for the Monthly Pass;
4. Certify under penalty of perjury that you personally paid the recurring Monthly Pass charge(s) and were not reimbursed those charges by a third party or refunded those charges by Gogo.

All Claims and Certifications are subject to verification by the Claims Administrator.

10. When would I receive the benefits?

Benefits will be emailed to eligible Class Members after the Court grants "final approval" of the Settlement, and any appeals are resolved. If the Court approves the Settlement after a Settlement Fairness Hearing on **MONTH, DAY, YEAR** (see the section "The Court's Settlement Fairness Hearing" below), there may be appeals. It's always uncertain whether these appeals can be resolved, and resolving them can take time. Please be patient during this process.

In addition, you can check the website or call the toll free number listed below in order to get a status update on the final approval of the Settlement, the claims administration process, and when the benefits will be made available.

11. What am I giving up to get a benefit or stay in the Settlement Class?

Unless you exclude yourself, you are staying in the Class, which means that you can't sue, continue to sue, or be part of any other legal proceeding against Gogo about the same legal issues this case involved. It also means that all of the Court's orders in this case will apply to you and legally bind you. More information is available in the Settlement Agreement in section 6.1

If you have any questions, please visit the website to review the Settlement Agreement or call the toll-free number.

EXCLUDING YOURSELF FROM THE SETTLEMENT

If you are a Class Member and you want to keep the right to pursue Gogo about the issues in this case or the settled claims, then you must take steps to remove yourself from the Class. This is called excluding yourself from—or is sometimes referred to as “opting out” of—the Class. If you want to preserve a right to pursue an independent legal remedy against Gogo, you must exclude yourself from this Settlement by following the procedures described below.

12. How do I get out of the proposed Settlement?

If you are a Class Member and you want to exclude yourself from the Settlement, you must send a letter or postcard by mail stating that you want to be excluded from the Settlement in *Adam Berkson, et al. v. Gogo LLC and Gogo Inc.*, Case No. 1:14-cv-01199-JBW-LB. You must also include: (1) your full name and postal address, and the username and email address associated with the Gogo account; (2) a statement that you do not want to participate in the Settlement; and (3) your signature. Your request for exclusion must be postmarked by **March 4, 2016 and addressed to:**

Exclusions
Gogo Claims Administrator
c/o Analytics
P.O. Box 2002
Chanhassen, MN 55317-2002

Please understand that only you can request exclusion from the Class. Requests for exclusion that are on behalf of a group or class of persons are invalid and ineffective.

13. If I do not exclude myself, can I sue the Defendants for the same thing later?

No. As explained in Question 10, unless you exclude yourself, you give up any right to pursue Gogo, individually or as part of a class, for the claims that this Settlement resolves. You must exclude yourself from *this* Class in order to pursue Gogo over the claims resolved by this Settlement. Remember, the exclusion deadline is **March 4, 2016.**

14. If I exclude myself, can I get any benefit from the proposed Settlement?

No. If you exclude yourself, you cannot get any benefit from the proposed Settlement.

THE LAWYERS REPRESENTING YOU

15. Do I have a lawyer in this case?

The Court appointed Reese LLP to represent you and other Class Members as “Class Counsel.” You do not have to personally pay Class Counsel. If you want to be represented by your own lawyer, and have that lawyer appear in court for you in this case, you may hire one at your own expense. If you have questions about the Settlement or anything contained in this notice, you can visit the website or call the toll-free number.

16. How will the lawyers be paid and will there be incentive payments for Named Plaintiffs?

Class Counsel has not received any fees for the lawyer and professional time it has devoted to this matter nor has it received any reimbursement for any of the out-of-pocket expenses it has incurred. Class Counsel will file a petition for an award of attorneys’ fees and costs. The Court will determine the amount of the award, but the total amount cannot exceed \$750,000. Additionally, Class Counsel will ask the Court to award each of the three Named Plaintiffs a \$5,000 service award in recognition of their time and efforts on behalf of the Class.

OBJECTING TO THE SETTLEMENT

If you are a Class Member, you can tell the Court if you don’t agree with the Settlement or some part of it.

17. How do I tell the Court that I do not like the proposed Settlement?

If you don’t want the Court to approve the Settlement or want the Court to modify a portion of the Settlement, you must file a written objection in the case with the Eastern District of New York and send a physical copy to Class Counsel and Gogo’s Counsel as noted below. Your objection must include: (1) a heading containing the name and case number of the Action (*Adam Berkson, et al. v. Gogo LLC and Gogo Inc.*, Case No. 1:14-cv-01199-JBW-LB); (2) your name, email address, postal address, and telephone number that were used in conjunction with the your Gogo account; (3) a detailed statement of each objection and the factual and legal basis for each objection, and the relief that the you are requesting; (4) a list of and copies of all documents or other exhibits which you may seek to use at the Settlement Final Approval and Fairness Hearing (“Fairness Hearing”) described in questions 19-21 below; and (5) a statement of whether you intend to appear, either in person or through counsel, at the Fairness Hearing, and if through counsel, a statement identifying the counsel’s name, postal address, phone number, email address, and the state bar(s) to which the counsel is admitted.

The objection must be mailed or hand delivered to the following addresses on or before March 4, 2016:

You do not need to go to the Fairness Hearing to have your written objection considered by the Court. At the Fairness Hearing, any Settlement Class Member who has not previously submitted a request for exclusion from the Settlement Class may appear and be heard, to the extent allowed by the Court, to state any objection to the Settlement or Plaintiffs' Counsel's motion for reimbursement of expenses. Any such objector may appear in person or arrange, at that objector's expense, for a lawyer to represent the objector at the Fairness Hearing.

18. What is the difference between objecting and excluding?

Objecting is simply informing the Court that you don't like something about the Settlement. You can object only if you stay in the Class. Excluding yourself is informing the Court that you don't want to be part of the Class. If you exclude yourself, you have no basis to object because the case no longer affects you. If you do not exclude yourself from the Class, and object to the Settlement, you will still be a member of the Class. If you object, you will not have another opportunity to exclude yourself and you will be bound by any judgment entered by the Court.

THE COURT'S SETTLEMENT FAIRNESS HEARING

The Court will hold a hearing to decide whether to grant final approval of the Settlement. You may attend and you may ask to speak, but you don't have to.

19. When and where will the Court decide whether to approve the proposed Settlement?

The Court has scheduled a Settlement Final Approval Hearing at 11:00 a.m., on April 5, 2016, in Courtroom 10-B South, United States District Court for the Eastern District of New York, United States Courthouse, 225 Cadman Plaza East, Brooklyn, New York 11201. At the Fairness Hearing the Court will consider whether the Settlement is fair, reasonable and adequate. At the Fairness Hearing, the Court also will consider the applications of Class Counsel for attorneys' fees and costs. The Court will take into consideration any written objections submitted in accordance with the instructions. The Court also will listen to Class Members or lawyers for Class Members who appear and speak at the hearing. After the hearing, the Court will decide whether to approve the settlement and attorneys' fees. We do not know how long the Court will take to make these decisions.

You should be aware that the Court may change the date and time of the Fairness Hearing. Thus, if you want to come to the hearing or have your lawyer attend, you should check with Class Counsel to be sure that the date and/or time have not changed.

20. Do I have to come to the hearing?

No. If you are a member of the Class, Class Counsel will represent you and will answer any questions that the Court may have. But, you are welcome to come at your own expense. If you send an objection, you don't have to come to Court to talk about it. As long as you filed and mailed your written objection on time, the Court will consider it, but Class Counsel will not argue your objection on your behalf. You may also pay your own lawyer to attend, but it's not necessary.

21. May I speak at the hearing?

If you object to the Settlement, you may appear and, subject to permission by the Court, speak at the Fairness Hearing. Persons who intend to object to the Settlement and who desire to call witnesses to testify or to introduce exhibits into evidence at the Fairness Hearing must submit a written objection as provided in the response to question 17, and must provide the identity of any witnesses they may call to testify and exhibits they intend to introduce into evidence at the Fairness Hearing. You cannot speak at the hearing if you excluded yourself from the Settlement Class.

IF YOU DO NOTHING

22. What happens if I do nothing at all?

If you do nothing, even if you otherwise would be an Eligible Class Member, you will receive none of the benefits as described in Question 8.

If you exclude yourself, you won't get any compensation through this settlement. If you don't exclude yourself and don't submit a claim, you won't receive a refund from the settlement and you will give up the right to pursue or be a part of any other legal proceeding against Gogo about the same legal issues this case involved. If you don't exclude yourself, you may object to the settlement or to the request for fees by the attorneys representing the Class. The detailed Class Notice, available at www.gogoclassactionsettlement.com explains how to exclude yourself or object. The Court will hold a hearing in the case—*Adam Berkson v.*

Gogo LLC and Gogo Inc., Case No. 1:14-cv-01199-JBW-LB on April 5, 2016 at 11:00 a.m. to consider whether to approve: (1) the settlement; (2) an award of attorneys' fees and costs to Class Counsel; and (3) service awards of \$5,000 each for the three Named Plaintiffs who represented the Class in this case.
