

PETER FLEMING, JR.

The partners of Curtis, Mallet-Prevost, Colt & Mosle LLP mourn the passing of our partner, Peter Fleming Jr. Peter was justly renowned as one of the most highly skilled trial lawyers in the United States, and was a dominant force in the firm's Litigation practice. He was the soul and conscience of Curtis and his advice and strength of character have inspired the entire Firm's practice of law. Those of us privileged to have known him and learned from him are exceedingly grateful for his life. Our thoughts and prayers are with his family.
