Mourns the loss of our beloved friend, founder and partner,

John P. Cleary

John was a respected colleague and an invaluable mentor. We celebrate his zest for life, his myriad professional accomplishments, and we admire his benevolence to the many charities he helped.

We mourn John's all-too-soon passing and extend our heartfelt condolences to his family, whom he loved above all else – his wife, Rita, and his children, Mark, Sharon and Jimmy.

He will be sorely missed.
