1. Number of New York attorneys and total firm size as published in the NYLJ 100 special report of the New York Law Journal, June 17, 2013, where firms were ranked by number of lawyers in their New York office(s). Firms that tied were ranked equally and listed alphabetically.
2. Due to firms announcing promotions at different times of the year, the figures listed include new partners effective in 2013 and/or as of Jan. 1, 2014.
3. Firm's new partner number is the sum of a March and November 2013 round of promotions.
4. New partners not announced as of the date of publication.
